

Suzi Gillespie

Suzi Gillespie has been teaching music for almost 20 years. In 1997 she completed a Bachelor Of Music with Honours at the University of Tasmania. Suzi has taught in a variety of primary schools around Hobart and southern Tasmania, teaching children from Kindergarten to Year 6. Suzi currently teaches classroom music at Mt Nelson Primary School and The Friends School. As well as classroom music teaching Suzi conducts a primary school concert band, marimba groups and choirs. Suzi's favourite musical activity is directing a school musical at each school every year. She is passionate about the skills children gain through preparing and performing a large scale musical theatre performance. Suzi enjoys performing in musical theatre herself, playing trumpet and cornet in community bands and fostering a love and enjoyment in music making and music appreciation with her own family.
