

## Jen Winley

Jen completed a Bachelor of Music Performance in Percussion at WAAPA, graduating top of her class in 1999. She then moved to Melbourne to further pursue her interest in orchestral work. For the next five years she worked frequently with the Melbourne Symphony on both percussion and timpani, including tours to China and Russia, and regularly with Orchestra Victoria. Jen was in high demand as a freelance musician and worked with the Academy of Melbourne, Adelaide Symphony, Tasmanian Symphony and WA Symphony orchestras in addition to regular chamber music performances.

Jen is passionate about music education and completed her Education degree in 2008. Since returning to Perth, she has been working as a music educator and ensemble director at All Saints' College.

Jen is bringing her performance experience into her development as an orchestral conductor and combining it with her education background to specialize in youth orchestras. Jen is very fortunate to have Peter Moore (OAM) as her mentor.
