

SCHOOL CONCERTS

MY PET DRAGON

What do you do when it's 'Bring Your Pet to Work Day' and your pet happens to be a dragon? It's not as if you can bring it to work on a leash or in a pet carrycase. Or can you...?

This concert mixes a zany story by Jenny Compton with orchestral favourites, including movements from Grieg's *Peer Gynt*. A terrific introduction to the orchestra, *My Pet Dragon* guarantees a memorable orchestral experience for primary school students and their teachers.
