WHAT COULD THE MUSIC BE ABOUT?

An Overture is a fairly long musical introduction to a play or opera (a play which is sung). What words come into your mind when you listen to this music?

What is it in the music that makes you think this?

If you could give this music a different name, what would you call it?

On the other side of this sheet, EITHER write a story that fits the music OR draw a scene from it. You might be able to do this in colour.
